Prior to 28 March 1954, new construction in Canton included the Canton City Hospital on the north side of the city, a new revenue office near Chung Shan (0022/1472) Park, a new People's Bank at the western bund, and the Nan Fang Building (0589/2455/1129/0633), which was formerly the Sun Company Building. The Sun Company Building had been partially destroyed during the Japanese war and in March was being enlarged and rebuilt.
